What is the Regional program? The regional program is an option for athletes who might want a reduced time commitment because of a school sport or other activity, they might be new to the sport, physically they are not yet ready for the next level, or it provides a more economical level of participation. Whatever the reason, they still get trained the Munciana way. Each regional team has a coach, but a master coach runs the practices. Regional players will tryout at the same time as Open/National teams.

What should I know about tryouts?

All athletes must pay the tryout fee prior to the first tryout date for your age group and is **non-refundable**. After team selections, Payment (PF) #1 secures your spot on a team and is **non-refundable**. It is due by October 8 for 10-14s, November 12 for 15-18s, and December 5 for TNT. Participation fees can be paid in full, or a payment plan is available below. During the registration process there is also a \$14.00 AAU membership fee.

Two discount situations may apply when paying participation fees. 1) If a family has multiple athletes playing, the first athlete playing will pay their participation fee in full. Each additional sibling playing will receive a \$100 discount. 2) If the full participation fee is paid when team selections are made, the athlete/parent will receive a \$100 discount per athlete. Please contact the Munciana office to apply for this discount.
