“Wow. It’s already May, and nationals are just around the corner. Spring brings important school activities and a final push for season ending tournaments. Every athlete has improved, but there are still new levels of performance to be achieved.

This quote from soccer star Mia Hamm is a motto to live by, “I’ve worked too hard and too long to let anything stand in the way of my goals. I will not let my teammates down, and I will not let myself down.”

Good luck to all teams in June.”
