Christmas CANP

2024 UNDER ARMOUR NEXT ALL- AMERICA

"My favorite part about UA week was not only the high level of competition and level of volleyball but it was the friendships and connections I made on and off the court. I am so thankful and so blessed to have met such amazing girls and boys along my journey in Orlando. They would forever be my friends and I can't wait to compete against them in college. See you on the other side of the net! "

RECRUITING CORNER

"Trying to figure out where you can realistically play volleyball at the next level is an intimidating process to begin."

DIRECTOR'S NOTE

January begins our journey into the 2024 season. It's an exciting time. The energy is off the charts, practices are dialed in, and the work ethic is special. My goal every season is to make this attitude stick for the whole season.

I challenge everyone, players, parents, and coaches to make this a six month journey with the same high expectations. The formula? Players, always be a great teammate and take advantage of every practice to improve your skills. Parents, you know your child best. Encourage them and let them navigate the ups and downs. Coaches, set the stage for your team to grow. Your training methods and how you communicate with your players will create a special bond.

Together let's make it a special season.

With the start of the regular season, a reminder to everyone to always represent Munciana at the highest level. A good rule to live by...Let our training and abilities on the court do the talking.

It's time to go to work. Have a great season!

-Wes Lyon
